PROFESSIONAL EXPERIENCE

The Legacy Cabinet Company, Niceville, FL

2021 – Present

Regional distributor specializing in custom cabinets and countertop design, including installation of those products.

Business Systems Analyst

Employed into the Procurement department tasked to own, improve, and secure the integrity of the master data in the SAP B1 ERP system. Serve as a master data subject matter expert on various business initiatives to provide guidance as necessary on data governance processes, data maintenance, and analysis.

Promoted to the Business Technology department responsible for testing and evaluation of new SAP functionality, production support of existing SAP functionality, report/query writing, data analytics.

Work assigned support tickets submitted by internal customers in request for master data updates, customized queries, and reports utilizing SAP B1, SQL, Crystal reporting, advanced Excel, to include Power Query, and Power Pivot.

- **Cleansed master data** by leading the implementation of a data quality program that dramatically reduced customer complaints by over 50% and increased sales opportunities by upwards of 20%.
- **Managed all aspects of master data management**, including business rules, attributes, relationships and history for over a million items.
- **Managed large data sets:** extracting, transforming and loading for import of new products into the system.

Warehousing and transportation company providing storage and shipping services, from inventory management to order fulfillment to last-mile delivery.

CargoWise One Consultant (Remote)

Contracted to implement newly acquired software platform that centralized and optimized logistics operations offering clients climate-controlled storage solutions, inventory management, order fulfillment, and other value-added services.

- **Onboard existing and new clients** onto the new CargoWise One system by gathering requirements tailoring the system to the client's specific inventory, storage, order fulfillment, and transportation requirements.
- **Transformed and loaded** inventory, facility location plan, and order files using CargoWise One import and configuration tools.
- **Trained and mentored** all system users onto the CargoWise One platform.

EARLIER CAREER EXPERIENCE

- **Warehouse Manager**, DeFili Solutions, North Bergen, NJ 2016 – 2017
- **Senior Manager (Contractor)**, Log-Net Inc., Red Bank NJ 2011 – 2012
- **Manager, Owner**, JADIS Global Trading LLC, Santa Rosa Beach, FL 2012 – 2015
- **Global Logistics Manager (on Contract)**, PompDeLux, Lystrup, Denmark 2009 – 2010
- **General Manager III**, GATX Logistics, Jacksonville, FL 1995 – 2000
